1.1 The Secretariat of the United Nations Alliance of Civilizations welcomes all invitees to United Nations Headquarters, located in New York City, United States of America. This document provides logistical information about arrangements for the 8th UNAOC Global Forum, as well as administrative procedures for entry to the United Nations Complex.

1.2 The primary mission of UNAOC is to forge collective political will and to mobilize concerted action at improving cross-cultural dialogue and cooperation among countries, peoples and communities in order to prevent conflict and promote social cohesion. Through its convening power, UNAOC continues to assemble governments, international organizations, media, young people, faith-based organizations, lawmakers, local authorities, civil society organizations and individuals committed to promoting peaceful coexistence across diverse communities.

1.3 The UNAOC Global Forums are a leading platform for promoting intercultural dialogue, understanding and cooperation. In light of the United Nations Secretary-General's emphasis on conflict prevention, participants will explore innovative methods of promoting inclusive approaches to conflict prevention as pathways for sustaining peace. The Forum will act as a catalyst for building partnerships and networks to achieve this aim.

1.4 The 8th UNAOC Global Forum will be held under the theme: **“Commit2Dialogue: Partnerships for Prevention and Sustaining Peace”**.

1.5 It will be organized on **Monday, 19 November and Tuesday, 20 November 2018** in the conference rooms of United Nations Headquarters in New York. Please refer to Annex 1 for a map of the location within New York, as well as detailed venue maps.

2. REGISTRATION AND ACCREDITATION

2.1 To take part in the 8th UNAOC Global Forum, every invitee needs to follow a two-step process consisting of **online registration** and **accreditation to the United Nations**.

2.2 Participation to the Forum is by invitation only. Therefore, an online registration is mandatory for all individuals, including those who already hold a valid United Nations grounds pass (local permanent missions and delegations, NGO accredited by DPI/ECOSOC, regular personnel of the United Nations).

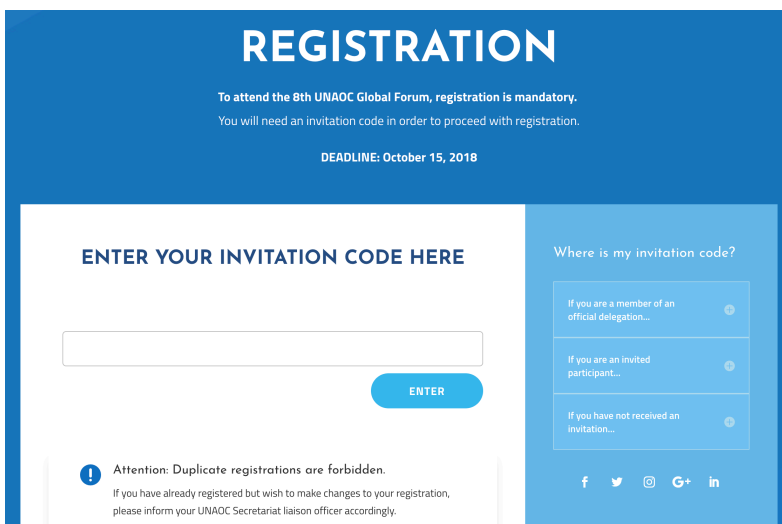

2.3 Online Registration

It is mandatory for all Forum participants to complete the **online registration** for the Forum through this link: <https://8thglobalforum.unaoc.org/registration/> by 5 November 2018 at the latest.

2.4 As participation to the Forum is by invitation only, invitees will need to enter an **invitation code** to access the registration form. The code is provided in the information packet sent by the organizing committee via e-mail. If you have not received your invitation code, please contact your UNAOC liaison officer for clarification.

2.5 The following is a **step-by-step guide** on how to register for the 8th UNAOC Global Forum.

A. Go to the registration link: <https://8thglobalforum.unaoc.org/registration/>

The image shows a web page titled "REGISTRATION" in large white letters on a blue background. Below the title, it says "To attend the 8th UNAOC Global Forum, registration is mandatory. You will need an invitation code in order to proceed with registration." and "DEADLINE: October 15, 2018". The main content area is divided into two columns. The left column has the heading "ENTER YOUR INVITATION CODE HERE" and a text input field with an "ENTER" button below it. The right column has the heading "Where is my invitation code?" and three radio button options: "If you are a member of an official delegation...", "If you are an invited participant...", and "If you have not received an invitation...". At the bottom of the left column, there is a blue information icon and text: "Attention: Duplicate registrations are forbidden. If you have already registered but wish to make changes to your registration, please inform your UNAOC Secretariat liaison officer accordingly." At the bottom of the right column, there are social media icons for Facebook, Twitter, Instagram, Google+, and LinkedIn.

B. Enter an invitation code, which was provided in the information packet sent to you by e-mail.

- C. After you enter the invitation code, you will be redirected to the registration form.

- D. Please provide all of the required information on the registration form.

NOTE: Please prepare your high-resolution photo and a scanned copy of your passport. You will need to upload these files as part of the online registration process.

Please make sure that you enter accurate data, since it will be used by the organizing committee to clear the lists with the United Nations Security and for issuance of accreditation.

Please make sure you provide a **valid e-mail**, and ensure that you double check your e-mail address for any potential misspellings or typographical errors. **The UNAOC organizing committee will use this e-mail address to communicate with you on all Forum related matters, including latest programme and logistics.**

- E. After filling in all of the required information, please click SEND to submit your online registration. You also have the option to save the form and complete it later.

- F. After completing your online registration, you will receive an e-mail notification from the organizing committee, acknowledging that you have submitted your online registration. If you do not see such e-mail in your mailbox, please check your spam folder. As the Forum draws closer, a confirmation on successful registration will be sent to each participant.

Please note that the deadline to register for the 8th UNAOC Global Forum is 5 November 2018.

2.6 Accreditation to the United Nations

The 8th UNAOC Global Forum will welcome the following categories of participants:

- a. **Members of Official Delegations**, including all 193 Member States of the General Assembly, Holy See, State of Palestine and international organizations which are members of the UNAOC Group of Friends (<https://www.unaoc.org/who-we-are/group-of-friends/>);
- b. **Participants who are not members of official delegations;**
- c. **Media covering the Forum.**

2.7 To access the United Nations Complex, each participant of the Forum must be accredited with a valid United Nations grounds pass or a "Name Specific" Special Event Ticket (SET).

2.8 Accreditation of Members of Official Delegations

Members of official delegations who represent permanent missions and delegations to the United Nations are holding regular United Nations grounds passes (category "D"), issued by the United Nations Protocol and Liaison Service. To enter the United Nations Complex, please verify that the ground pass is valid through 20 November 2018.

2.9 Members of official delegations, who do not possess a valid United Nations grounds pass, will be provided with a "Name Specific" Special Event Ticket. This regulation applies to all levels of officials, including heads of states and governments, ministers and other political level appointees. It is due to the fact that the 8th UNAOC Global Forum has a status of a 'special event', since it is not a mandated meeting of the United Nations General Assembly. Therefore, the United Nations Protocol and Liaison Service will not arrange for accreditation for Member States and international organizations and will direct all related queries to the UNAOC Secretariat. The UNAOC Secretariat will use the online registration data for every member of the official delegation and liaise with the United Nations Security and Safety Service to ensure all confirmed participants are duly accredited and issued a "Name Specific" Special Event Ticket.

2.10 Non-UN Accredited Participants

The UNAOC Secretariat will liaise with the United Nations Security and Safety Service to ensure all confirmed participants, who do not possess a valid United Nations grounds pass, are duly accredited. The UNAOC Secretariat will use the online registration data to liaise with the United Nations Security and Safety Service to arrange for a "Name Specific" Special Event Ticket.

2.11 Accreditation for Media Covering the Forum

In addition to online registration through <https://8thglobalforum.unaoc.org/registration/>, media professionals covering the Forum are also required to seek additional accreditation through the UN Media Accreditation and Liaison Unit (MALU).

2.12 To be accredited through MALU, all media professionals need to fill in and submit the application form on MALU website: <http://www.un.org/en/media/accreditation/request.shtml>. The approval process takes up to 48 hours. If successful, applicants will receive an e-mail from MALU regarding when and where to pick up their temporary UN media pass from MALU office, and escorting information if carrying any professional camera. TV journalists will be escorted by MALU to the media booths. For more information please contact malu@un.org or call +1 212-963-6934.

3.6 Please be aware that all packages brought onto the premises, including those of delegates and staff, will be subject to security inspection. In order to avoid setting off an alarm, Forum participants are requested to examine the contents of their briefcases, bags and other personal belongings in advance and to remove all unnecessary metallic objects. 3.11 Media covering the Forum and all other participants will have designated seating areas and will be directed to the proper areas by on-site members of the organizing committee.

3.12 Access to Restricted Areas

Participants of the Forum who possess “Name Specific” Special Event Tickets are kindly requested to visit areas of the United Nations Complex, which will be indicated on their Tickets. This is due to the fact that there are areas within the United Nations Complex that are restricted for official business by the United Nations delegates and staff (including the second floor of the General Assembly Building). Representatives of non-governmental organizations or guests to the United Nations are not allowed access to those areas.
